This agreement is made between the customer and Taylorsville-Bennion Improvement District. The customer agrees to participate in the district's Equal Payment Plan (EPP) and will abide by all the district's rules and regulations regarding payment of his/her water and sewer bill.

Termination of the Equal Payment Plan by the customer may be allowed at any time by notifying Customer Service. After notification of request for termination the bill will be "trued up" and a credit or debit will be applied for the over or underpayment. The next bill will be figured under normal billing procedures.
